1. **Student Employment**

1.1. **Technology Fee Intent.**

The Student Technology Fee Committee recognizes and supports the original intent of the technology fee, which was to increase the availability of technology resources exclusively for general student use.

2. **Determining Eligibility for Employment Funds**

2.1. **Criteria**

The following criteria are used in determining eligibility for employment funds:

1. The Technology Fee will only fund Part-Time Student employees.
2. The Technology Fee funded Part-Time Student employees will only be used for direct Student Technology Fee services.
3. A report will be given back to the Student Technology Fee Committee regarding what the Part-Time Student employee’s job duties were and the hours these job duties were performed.
4. Funds for employment will only be set-aside after the Student Technology Fee funds equipment and renewals in its priority list.

3. **Findings.**

3.1. The committee feels in order to properly provide technology resources to students it is necessary, on a very limited basis, to fund student employees.

4. **Policy**

4.1. Initiatives meeting the Student Employment Criterion will be considered for funding prioritization by the Student Technology Fee Committee.
4.2. The Student Technology Fee is not in the business of funding employees and will do so very selectively.
4.3. This document does not apply to the (2) STFC consultant positions as they are positions used for administrative operations such as account management, purchasing, coordination of the STF Committee and other objectives outlined in the Service Level Agreement.
